BUDGET HEARING NOTICE

The Town of Pamplin will hold a public hearing on August 5, 1980 at 7:30 P.M. at the Pamplin Town Hall for the purpose of hearing written and oral comment from the public concerning the proposed annual budget for fiscal year 1980-81 and the uses of Revenue sharing funds as contained in that proposed budget, summarized below.

General revenue sharing (GRS) is a program of general fiscal support from the federal government to state and local governments with only limited federal requirements about how the money should be spent. Decisions on the use of these funds are made at the local level, by the government and people closest to local problems. The revenue sharing regulations require a nearing on the proposed use of these funds in relation to the overall budget before the budget is adopted each year.

All interested citizens, groups, senior citizens and organizations representing the interest of senior citizens are encouraged to attend and to submit comments.
